3. Roll call read by Secretary Michael Campbell, 22 of 75 registered Boxing Clubs were present
4. AIBA Master Official Ray Silvas presented some information from the National & International levels
  - a USA did not do too well at the AIBA World Championships. USA has hired a new head coach who is making improvements.
  - b The officials are adjusting to the new scoring system. Methods for training officials during the transition were discussed.
  - c Removal of headgear in the Elite division was talked about. At the World Championships there were a total of 54 cuts, but only 4 or 5 bouts were stopped. Elite boxers now need to have an experienced cut man in their corner.
  - d AIBA has a goal to increase their number of officials. They have also built an academy in Kazakhstan which officials, judges, referees, coaches, boxers and doctors will utilize for training.
  - e AOB, WSB, & APB was discussed, their differences in organization and rules.
  - f Currently the strength in USA Boxing is in the Youth division. Keeping that talent in the program rather than them turning to professional boxing is a big challenge.
  - g A primary goal of Silvas's is training, and he will continue to bring that experience to our LBC.
5. The recently elected Athlete Representatives introduced themselves
  - a Anthony Rodriguez of Conflict Boxing Club & Eduardo Garcia of Eastside Boxing Club
  - b Athletes make up the largest portion of the Gulf membership and these positions are important for the athletes to have a voice at meetings and on the Board of Directors.
  - c Athletes can easily contact either Athlete Representative via the website GulfLBC.org on the 'Contact Us' page
6. Review of previous BoG meeting minutes by Secretary Michael Campbell
  - a Meeting minutes were distributed via the E-mail distribution list and posted on GulfLBC.org
  - b Juan Lopez made motion to accept the meeting minutes from Board of Governors meeting held on 7/13/2013, and it was seconded by Ray Zaragoza. Vote taken by voice and Ayes passed the motion unanimously.

If an athlete is disqualified from the tournament due to being overweight, they will reimburse the LBC their stipend amount already received.
- f Joseph Rivera asked if runner-ups would be given stipends. Moya answered that the reason for the box-off was to determine champions and that the runner-ups could get the stipend if the winner decides to not compete.
- g Juan Lopez made motion to accept \$500 stipend amount for YOUTH, seconded by Joseph Rivera, motion carried unanimously. Half will be given up front.
- h Lynn Collins made motion to give \$700 stipend amount for ELITE, seconded by Ray Zaragoza and motion carried unanimously with same stipulation of ½ given up front.
