

Dear Gulf Association Members and Athletes

As your 2014 Junior Olympic Chairman I am happy to announce that we are now confirmed to hold the 2014 LBC Junior Olympic Boxing Tournament in Houston at the North Side Boxing Gym. 3804 Billingsley Houston, Texas 77009.

I would like to thank all of the individuals who placed bids for the 2014 Junior Olympic Boxing tournament. Woodlands Boxing, Undefeated Magazine, Slava Boxing, and Conroe Pound 4 Pound. The established facility we selected met all of the requirements of the LBC JO tournament and was the best possible BID for the advancement of our LBC JO Champions. As we all know the tournament is to fund and support those athletes advancing to the Regional Championships in San Antonio, TX. We extended our invitation to all LBC Board of Governors with a few but very well respected responses. North Side Boxing Gym offered the best opportunity for this tournament. As your Junior Olympic Chairman I want nothing but the best possible venues, facilities and services for you, our members. The main goal is to showcase our Junior Athletes with the best tournament possible. Organization of this Junior Olympic Boxing event is underway and I cannot stress how important our promotional and advertising influence is for the success of our Gulf Association teams and athletes. Please notify members, friends, and family by all possible means of communication. Sponsors play a vital part to this event and we are in negotiations with many sponsors who will assist with all areas of the tournament to help our State and National advancing athlete's with the financial stability and support they deserve. Along with those wonderful sponsors we will also have a professional microphone choreographer, professional music DJ, local Athletes and Celebrities, professional host photographer, T-shirt give away, raffles, and a full concession stand. This tournament is also open to all Non Junior Olympic Boxers. We will have pre matched bouts on Saturday and Sunday. Please contact me, David Pereida as the point of contact for pre matching. 281/250-9145

On this my second year as Junior Olympic Chairman I am utilizing our Gulf Association board members, resources and volunteers to set a standard of excellence for you, our officials, teams and athletes. Thank you to everyone for your participation and future involvement with this event. I am excited about this year's 2014 Junior Olympics and cannot wait to see our new, established Gulf Association Junior Olympic Boxing Team. The Gulf Association has high hopes of seeing our athletes advance to State and National Championships.

Sincerely,

David Pereida
